COMEDY NIGHT

Keith McGill

What kind of comic is Keith? He's clever, insightful, and a little bit eye-opening. His comedy is truth with a twist. Indianapolis' NUVO said, "Keith McGill has a style that is smooth and temperate, and lacks any gaudy gimmicks or catch phrases, making him one of the best standup acts within earshot... His material is positive and PG-13, yet still intelligently critical of the comical absurdities [of life]...The Louisville native is impossible not to

like." As well as being popular internationally on Royal Caribbean Cruises, Keith has appeared on BET, CMT, LAUGHS on FOX and is a Bob and Tom Show favorite, as well as a much sought-after entertainer for corporate events.

Forged deep in the bowels of suburbia, David Bizianes brings his cynical wit to clubs and colleges all across the mid-west. From his failures as a husband and father, to his success in the Marching Band, David Bizianes will take you on a journey of scathing social commentary and

opinions that he is completely unqualified to make. He has opened for David Koechner, Ralphie May, Rory Scovel, Kyle Kinane and many of today's hottest comics! You'll love him. Or you won't.
